

BCCL picks up stake in Ensemble

TIMES NEWS NETWORK

Mumbai: Bennett, Coleman & Company (BCCL) has acquired a stake in Ensemble Infrastructure India (EII).

Ensemble Infrastructure is one of the leading interior infrastructure companies in the country with presence in Mumbai, Pune, Bangalore, Chennai and New Delhi.

Started in 2003 by two young entrepreneurs, Nilesh & Vikas Rathod, the company has interests in interior fit-out contracting, furniture manufacturing and retail shop fittings.

The company boasts a huge clientele base that includes Reliance, Unilever, Future Group, Tata Group and Bharti. Vikas Rathod, director of the company, said, "We are delighted about the confidence imposed on us by BCCL, this will help us take the Ensemble brand to much greater heights in all our business ventures in the interior infrastructure space."

He said the company plans to foray into product trading and green contracting for fit-outs. Ensemble Infrastructure company is a wholly-owned subsidiary Ensemble Furniture Solutions.
